The Three Angels Messages: God's Medicine for Your Life Today

What is sin? No doubt the true and tried definition immediately comes to your mind that *"sin is the transgression of the law"* (1 John 3:4). But the Bible also describes sin as a disease – *"the whole head is sick, and the whole heart faint. From the sole of the foot even unto the head there is no soundness in it; but] wounds, and bruises, and putrefying sores"* (Isaiah 1:5).

What would you think of a physician who diagnosed skin cancer as just a bad case of acne? What if a doctor misdiagnosed a heart attack as indigestion? When you go to our family physician for a check-up, do you get upset when he tells us about some anomaly or lurking medical condition? Would you be willing to let Jesus be your personal Great Physician? Would you be willing to let Him use the three angels' messages as His protocol for diagnosing and treating the deadly virus of sin – no matter where it is found in your life?

In addition to looking at the three angels messages as God's messages for the entire world at the end of time, would you also be willing to look at these seven verses of Revelation 14:6-12 as God's method for diagnosing and treating the sin-disease in your own life. Look at it this way:

God's diagnosis of spiritual disease:

- Discern what are the traits of Babylon, not in others, but also in your own life: unfaithfulness to God, looking for love in the wrong places, spiritual adultery, depending on others to fill your cup, pride, arrogance, et cetera. Babylon is a harlot, and a harlot seeks for love in all the wrong places. Ask yourself, Are there areas in my life where I have depended on anyone or anything, other than my Heavenly Father, to fill my cup?
- Discern what are the symptoms of the 'beast' – the attempt to control your own life and the lives of others by the replacement of the Creator God with an idol [a substitute for the sufficiency of the crucified and resurrected Lamb) - because you do not believe that God is doing a good job; the symptoms of the beast are force, fear, threat, manipulation, intimidation, coercion etc. It is the abuse of power, using the methods of the beast to do the work of the Lamb.

God's remedy: the everlasting gospel: the life-changing good news about God's never-failing covenant-love – His perfect love and acceptance of imperfect people who will come to Him through Jesus just as they are. As you receive the gift of His redeeming love, you will...

- fear God for the ‘fear of God’ is healthy fear that will protect you from all other fears: fear of the judgment, fear of the future, fear of others, fears of rejection, fears of punishment, etc. The fear of God is healthy fear. If you fear the dragon and the beast more than your fear God, then you are already a candidate for the enemy’s deceptions. For what you fear most will ultimately control your life.
- give glory to Him and overcome the life-damaging effects of pride and legalism. *“For by grace have you been saved through faith...not of works, lest anyone should boast”* (Ephesians 2:8,9). *“For God forbid that I should boast except in the cross of our Lord Jesus Christ...”*(Galatians 6:14). Giving glory to God because of Christ’s cross will do more than anything else to overcome sin, because all sin is rooted in pride and self-sufficiency.
- worship Him. Worship is far more than church-attendance on the right day, the Sabbath. At its core worship is to serve God with your praises and the needs of people with His sufficiency. When you discover that He is adequate to meet your every need, you will not be tempted to fill your cup from sources that do not satisfy. Remember, that the great controversy is all about worship. The best way to overcome the worship of the beast is to know and worship the Lamb of God, Jesus Christ. But it is entirely possible that you can be so pre-occupied with beast that you don’t even know the attractions and the power of the Lamb.

The results:

- the patience of the saints, which is God’s custom-designed method to grow through trials and adversities. Patience is the willingness to accept difficult situations without giving God a deadline to remove them. The patience of the saints is also patience with the saints. God’s patience with you should be the greatest motivation for you to also be patient with those who are anything but perfect, especially members of your own church community. It is people like that who offers you the opportunity to show God’s perfect love to those who are not perfect.
- Keeping the commandments of God – loving God with all your heart and others as yourself. The TEN commandments is not just a list of do’s and don’ts. They are truly the tender commandments from the heart of a loving God who does not want His children to damage themselves or the lives of others.
- The faith of Jesus – the life-changing power of trusting Christ for everything. The faith of Jesus is not about how hard you believe. It is not even about believing your beliefs. It is all about trusting in the covenant faithfulness of your great God who will never let you go. *“He that comes to me, I will by no means cast out”* (John 6:37).

Perhaps you have never looked at sin this way before. Would you be willing to consider the immense possibilities in your life when you consent to let Jesus Christ be your personal Great Physician, He is only one who successfully can forgive “all your iniquities” and “heal all your diseases” (Psalm 103:3).
