

The Three Angels' Messages as God's Medicine for Your Life Today

The First Angel's Message

The Everlasting Gospel: Today I thank God for His everlasting covenant, the intention of His heart before the world began to save me through the blood of His Son, Jesus Christ.

*Because of Christ's redemption,
I am a new creation
of infinite worth. I am deeply loved,
I am completely forgiven, I am fully pleasing,
I am totally accepted by God.
I am absolutely complete in Christ.*

As a child of God, fully acquitted and adopted into His family, I will...

Fear God: The security of the sufficiency of Christ's atoning work, as declared in the everlasting gospel, takes away all fear – fear of failure, fear of punishment, fear of the judgment, and fear of the future. I reject Satan's lie that I must live in fear, and I accept God's truth that there is no fear in love because perfect love casts out fear.

Give glory to Him for the hour of His judgment is come. Because of Christ's gift of salvation, I need not fear the judgment. Therefore, I give glory to God because He has provided an Advocate who took my place and who presents me faultless before God's throne. I repent of detracting from God's glory by attempting to earn salvation, which is His free gift to me. I acknowledge that legalism is the adherence to standards for the purpose of exalting myself. With Paul I declare *"God forbid that I should glory save in the cross of Christ my Lord"* (Gal. 6:14). I will seek to give Him maximum glory through unity and love with Him and with fellow Christians (John 17:20-26). God is most glorified when I am most satisfied in Him.

Worship Him who made heaven and earth as I rest on the Sabbath-day as His sign of the security of Christ's gift of completed salvation for me. I accept the truth that worship is the God-ordained way whereby the fullness of heaven's resources flows into my life to fill me to overflowing. When I worship I give a deposition (testimony) to declare my agreement with the witnesses in heaven's courtroom that...

Worthy is the Lamb who was slain to receive power, and riches, and wisdom, and strength, and honor and glory and blessing.

For Christ to receive these, I must first give them to Him. To worship is to serve God with my praises and the needs of people with His sufficiency. I will daily come before Him to receive the fullness of the benefits of His covenant, His last will and testament.

The Second Angel's Message

Because Christ so loved me that He gave Himself for me, I no longer fear rejection. In Christ I am fully accepted, and I renounce Babylon's seductions of...

- Looking for love in all the wrong places.
- Trying to fill my cup from fountains that do not satisfy.

To "come out" of Babylon means that...

- I believe that Jesus Christ came to "heal the brokenhearted and set the captives free" (Luke 4:18,19), and I ask Him to heal all my hurts and fix all my broken places (Luke 4:18,19).
- I come out of the bondage of bitterness and unforgiveness by forgiving others as God has forgiven me. I give up my right to hurt those who have hurt me. Through the power of Christ I break the power of Satan over me as I break free of the prison-like cycle of resentment, resistance, rejection, which leads to rebellion, to experience genuine freedom.
- I reject Satan's lies about God and about myself, and I replace these lies with God's truths, which set me free.
- I give up my dependence (addiction) on possessions, people, places, position, and power to satisfy my deepest needs.
- As I receive the gift of the Holy Spirit by faith, God pours His love into my heart, and I experience the freedom and security of being His special treasure.

The Third Angel's Message

Because Jesus Christ is my all-sufficient Savior, I have no need to worship and depend on any antichrist [a beast – a substitute for Christ's redemptive work] to save me. I, therefore, reject Satan's lie that the saving work of Jesus Christ on Calvary's cross is inadequate. Because Jesus Christ is more than enough for everything I need, I choose not to seek personal significance and identity through substitutes (idols) that do not satisfy. This means that...

- no longer will I seek to control others, nor will I use the methods of the beast (force, fear, threat, coercion, intimidation, manipulation etc.) to do the work of the Lamb.
- I will let go of anger and forsake wrath.
- I will worship the Lamb as all-sufficient Provider and all-powerful King, and trust Him for everything, relinquishing control through daily surrender to Him.
- the best preparation for Satan's end-time deceptions is the genuine worship of the Lamb, Jesus Christ.

When I worship the beast I become beast-like. Any idol (substitute or replacement for Jesus Christ) will eventually become a 'beast' that will destroy me and damage the lives of others.

I will express my dependence on God's covenant by...

- **the patience of the saints** - accepting difficult situations without giving God a deadline to remove them. As I super-abide in Jesus Christ I will trust that in all things God works together for good to those who love Him (Romans 8:28).
- **keeping the commandments of God**, not to earn salvation, but to protect the free gift of salvation already provided through His covenant. I will not take pride in my law-keeping, but I will use the law a diagnostic tool to daily show me my need of a Savior.
- **the faith of Jesus** as I confess that my salvation does not rest on my performance of the terms of a contract, but is based on fully trusting in Christ's covenant faithfulness. Through faith I visualize the realization of God's promises.
